

Are All Dance Studios The Same?

Here Is Why

Above The Barre Is the Right Choice!

Small Class Sizes - Maximum 8 students for age 2 and a maximum of 12 students per class for ages 3 and up.

All studio rooms are equipped with floating Marley dance floors which help reduce the risk of injuries.

Full length mirrors on multiple walls in all of our classrooms enhance the dancers learning experience as the student observes themselves while travelling in numerous directions on the dance floor.

End of year class recommendations are given to each student to ensure proper placement into next year's classes or levels.

Desk staff available to assist you during all teaching hours, every day, through email, phone, and in person.

Affordable parent-friendly costumes that include all accessories and tights.

Senior staff of professional teachers and choreographers with numerous certifications, college degrees, and/or professional experience

Large variety of classes and choice times designed according to students' and parents' requests. Convenient sibling classes enable parents to bring two or more children at one time for dance class at the same time.

Performance opportunities available throughout the year

Competitive dance teams available for ages 6 years and older

Annual Spring concert in an attractive, air-conditioned local facility with reserved seating that features all of our ATB dancers and not a select few. We promise to entertain you for less than 1 ½ to 2 hours at our concerts.

Summer Open Houses to meet and greet staff. Tour our studio and gymnastic facility. Sign up for all of your Fall classes, get fitted for all of your shoes, and purchases all of your dance needs! We have made it easy and convenient for you.
